

BUILDING TOGETHER – WITH ROTARY

November 15, 2021 Merritt and area saw extensive flooding and the entire town of 7000 people were evacuated. As people are being allowed back into their homes the devastation will be revealed. There are large parts of the town that have been affected from slightly to catastrophic.

The Merritt Rotary Club has set up a Disaster Relief fund to help families and individuals who have been severely affected by the flooding.

The funds will be based on donations from Individual Rotary members, Rotary Clubs and non-Rotary individuals and organizations. Fund proceeds will be used to provide financial support to individuals in need to help them on their path to recovery.

The Rotary Club of Merritt is registered as a charitable organization with the Canada Revenue Agency. This registration designates the Society as a Qualified Donee for organizations that require this designation as a basis for providing donations. It also allows us to provide tax receipts for those donating to the fund. For those requiring receipts, please include your full name, mailing address and email address in the message box for e-transfers.

Donations can be made by cheque to the Merritt Rotary Club Society at PO Box 938 Merritt, BC V1K 1B8

Or by e-transfer to connect@rotarymerritt.com

In addition, we will work alongside Samaritan's Purse to help with the removal of damaged items, such as furniture, clothing, drywall, etc. You can go to www.samaritanspurse.ca/BCvolunteer. If you would like to volunteer as a group, you can indicate the name of the group you are with, or you can volunteer as an individual. They will begin scheduling volunteers to serve affected homeowners on December 1, 2021.

If you have any questions, please contact Leslee Lucy, President Merritt Rotary at 250 574 4730 or lesleelucy@gmail.com

We hope you can give in this time of great need.

Thank you
